PRINT THIS AND BRING IT ALONG WITH YOUR ONLINE PURCHASE RECEIPT TO THE REGISTRATION TENT.

Competitor Registration / Pre-Registration Check-in hours:

- **Friday, March 24th, 2017 - OPENS at 9 AM and CLOSES at 6:00 PM**
- **Saturday, March 25th, 2017 - OPENS at 8:00 AM and CLOSES at 2:00 PM**
- **Sunday, March 26th, 2017 - Closed**

VEHICLE PARKING FOR COMPETITORS. WHEN YOU ARRIVE...

Parking for registration is on the lot at Gate 40 of the Speedway, off Williamson Road. Gate staff will direct you where to park your vehicle while checking in. Once parked, ***proceed to the tent near the entrance to the Turn 1 tunnel for Check-In*** to get your competitor packet; the tent will have an SBN sign in front of it. Once checked in, return to your vehicle and proceed to your designated competition area. Refer to the map for competition staging areas. ***NOTE***: Any vehicles without a proper pass *will be towed away at the vehicle owner's expense*.

MAKE SURE TO WRITE DOWN YOUR VEHICLE TAG (LICENSE PLATE) NUMBER AND VEHICLE INFO, AND BRING IT WITH YOU WHEN YOU GO TO REGISTRATION.

TRAILER PARKING:

***IMPORTANT*:** *Parking is for **trailers only**, not tow vehicles, **unless** tow vehicle stays attached to trailer for the weekend*.

Trailer parking is in the Speedway Infield *across from the Tuner Jam area,* near turn 2 and Lake Lloyd. ***You must check in first before unloading your vehicle!*** You will not be able to enter the infield without first getting your credentials, so leave your vehicle on its trailer until checked in, unless you are not leaving your trailer over the weekend. Attendants will direct you where to park your trailer. There will be staff to direct you to the trailer parking area.

WHEN STAGING YOUR VEHICLE: ***Under no circumstances should you leave your vehicle unattended if in the competition lanes or in a staging area!*** Any vehicle left unattended in a staging lane for more then 15 minutes ***will be towed*** at vehicle owner's expense.

COMPETITOR ENTRIES

If you are entered into more than one competition, notify the SBN registration staff. They will give you direction on where to stage your vehicle and the procedure for getting in and out of competition areas.

Registration staff will ask for your cell phone number in case we need to contact you.

SPL & TUNER JAM COMPETITION/COMPETITORS

SPL competition is in the infield in turns 1 and 2, on the west side of the roadway entrance from the turn 1 tunnel. Tuner Jam competition is further down the roadway on the east side (see map).

TESTING AND DEMOS - SPL & Tuner Jam competitors for all orgs in the SPL/Tuner Jam areas may test for competition in their staging spot for a short time period. Testing only is allowed for no more than 30 seconds. Demoing is not allowed in the Speedway Infield whatsoever; if you wish to demo and you have purchased a demo pass, you can bring your vehicle to the Gate 40 lot demoing area (see map), where demoing is allowed during show hours. *There is a strict zero tolerance policy* in place for vehicles/persons demoing their vehicles at excessive volume levels in the infield area for extended periods of time.

VEHICLE STAGING - Each organization will have a specific tent for their lanes.

If you are competing in multiple orgs, choose a space closest to the main org you are competing with.

SQ COMPETITION/COMPETITORS

SQ competition takes place in the XFinity Series garage area (blue garages). Competitors will be staged by the Judges upon arrival. This area is also open to Exhibitors, however Exhibitors have received notice that excessive noise will not be tolerated and that noise levels must be kept below 95 dB.

All SPL and Demo manufacturer brands who wish to demo their product may do so in the Gate 40 lot designated for demoing. Under no circumstances can they demo in the garage area; *there is a strict zero tolerance policy* in place for vehicles/persons demoing their vehicles at excessive volume levels in the infield/garage area for extended periods of time.

While we cannot guarantee perfect conditions for SQ Judging, all SQ organization Judges have been informed of the show layout and judging will stop judging should excessive noise occur.

We are making every attempt possible to keep the noise floor at a minimum for SQ Judging.

COMPETITION SCHEDULE

Below is the competition schedule which details competition start and finish times. Due to the time schedule to complete judging, these times will be strictly adhered to.

Judges will be ready to start at the designated times; you must be present and ready to be judged by the start times. The show is on a very tight time schedule to complete all judging, so it is very important that you are with your vehicle when the judge arrives, or you have your vehicle in the lanes ready to compete. If no one is present at the vehicle when a judge arrives to evaluate it, they will wait 5 minutes, at which time a warning will be issued by the judge to be present upon their return. If no one is present on the second visit, a score of zero (0) will be given and the vehicle will not be evaluated.

For SPL competitions, Judges will make announcements for competitors to enter the lanes. *It is the competitor's responsibility to have their vehicle in the competition lanes within the specified time frames*. The SPL competition lanes ***will be closed at the specified times***, whether there are vehicles in the lanes or not, so *do not wait* until the last minute to get your vehicle in the lanes.

COMPETITION	WHERE TO GO	DAY / TIMES	COMP TIMES
Registration Check In	**Gate 40 parking lot near entrance to Turn 1 Tunnel**	Friday, March 24th Saturday March 25th	**Fri - 9:00 AM to 6:00PM** **Sat - 8:00AM to 2:00PM**
